Can I Ride With Friends?
Anyone with a Quarry Hill Apartment pass can book a ride at the same time as you, and we'll pick you up together.
People not living at Quarry Hill will be able to purchase passes and start riding later this month.

Can I Get a Ride Somewhere Else?
Soon! Later this month we’ll allow you to upgrade your pass in order to ride all around the Burlington area.

How Will I Know When the Van Is Coming?
As soon as you book your ride, we’ll text you our estimated time of arrival. If we’re not already nearby, we’ll usually be there in less than 10 minutes and we’ll send a follow-up text as we approach.

Can I Just Get in the Van if I See It On The Street?
Sorry, no. All rides must be booked through the app. The driver can’t pick you up otherwise.
